Dear Mr. Nash:

RE: Freedom of Information Act Request

Richmond Public Schools is in receipt of your Freedom of Information Act request that was made via electronic mail on February 27 2019. Your request consisted of the following:

1. FY 2019 Estimate of Needs
2. 2019 – 2023 CIP budgets
3. A copy of the 228-page budget book provided to School Board members prior to the 2/25/19 vote.

The records responsive to your request are below.

You contact me at (804) 780-7716 with any questions or concerns.

Sincerely,

Angela C. Wilson

Resilience. Pride. Success

Dear Central Office,

I'm reaching out to address questions regarding the transparency of this year's budget process. Over the past year, I have tried to demonstrate how seriously I take transparency: by sharing what's working and what's not every week in my RPS Direct message; by making myself available at hundreds of public meetings to answer any and all questions from students, families, staff, and community members; and by attempting to create documents for Board discussions that are layman-friendly so that the public can more easily participate in the process of holding me accountable.

In the interests of transparency, over the past several weeks, we have held eight public meetings about our FY20 budget. In addition to discussing roughly \$18 million in requested new funding to pay for a teacher raise and the costs of Dreams4RPS, our strategic plan, we had lengthy discussions about \$13 million in proposed central office cuts.

We discussed the *non-personnel* cuts – line by line – in public. And, as allowed by Virginia law and RPS Board Policy, we discussed the *personnel* cuts – line by line – in closed session. We did so in an effort to treat our employees with respect and dignity.

A couple of weeks ago, in an effort to be responsive to Board requests, the RPS Finance Team developed the “full,” roughly 230-page version of the budget. Please note that this comprehensive document is normally prepared much later in the budget process – *after* RPS knows how much funding it is going to receive from the City and the State.

We uploaded that document to the Executive Section of Board Docs (not viewable to the public) on Friday, February 15. It was uploaded to the Executive Section because it contains information about the proposed central office personnel cuts.

I had hoped to be able to inform you about your status for next year in face-to-face meetings prior to the news becoming public, as no one should learn about their future in the newspaper. Moreover, I believe that employees who are losing their jobs should have the opportunity to share this information with those closest to them before it becomes public. That is why I initially made the decision to not immediately release the full budget document. I believe that was the humane thing to do.

That said, to directly respond to the calls for greater transparency, I am making the full budget publicly available now. It is attached to this email.

I am terribly sorry that we were not able to inform you in person about your status for next year prior to releasing this information publicly. This is exactly what I was hoping to avoid. Members of the RPS Leadership Team will soon be reaching out to share additional information and supports.

Because I know there may still be a number of questions from staff and members of the public, I will be holding a public meeting tomorrow, February 28th, at 6 pm, at MLK Middle School. I will stay as long as necessary to ensure that every attendee has a chance to ask her/his questions.

With appreciation,
Jason

RICHMOND PUBLIC SCHOOLS
FY2019-2020 BUDGET

School Highlights:

Richmond Public Schools has five regional preschool learning centers. These regional preschool learning centers provide the district's youngest learners with centrally-based, premier educational experiences. The regional preschool learning centers are Mary Scott (Ginter Park), Maymont, Blackwell (Annex), Summer Hill and Martin Luther King Jr.

In August 2010 Richmond Public Schools opened its first charter school, Patrick Henry School for Science and Arts (PHSSA). The school offers kindergarten through fifth grade based on parent, educator and community involvement. The school provides the children of Richmond's diverse community with an academically rigorous science- and arts-based curriculum that emphasizes environmental awareness and social responsibility.

In December 2018, Richmond Public Schools broke ground on three new 21st century public schools with 21st century technology, education and safety amenities: a new George Mason Elementary School, a new E.S.H. Greene Elementary School and a new middle school to replace the existing Elkhardt Thompson Middle School.

The new George Mason Elementary School will accommodate 750 students while the new Greene Elementary School will accommodate 1,000. The new middle school will accommodate 1,400 students. All three schools are state-of-the-art and designed to include school and community green space, be energy efficient, LEED Silver Certified and feature highly-advanced security systems. These three new schools are expected to be completed and open for students in the 2020 school year.

Facility Maximization:

Richmond Public Schools has moved toward maximizing building capacity and a more cost effective use of its facilities with the closing of twelve school buildings and one annex building over the past fifteen years.

Fiduciary Responsibility (Fiscal Agent) - Regional Schools and Programs

The School Board has a fiduciary responsibility in its capacity as fiscal agent for the Maggie L. Walker Governor's School for Government and International Studies (the Governor's School). The Governor's School operates as an educational consortium and provides specialized and gifted education for students of participating cities and counties from throughout central and southern Virginia. It is governed by a separate board that includes one member from each of the participating localities.

The School Board also has a fiduciary responsibility in its capacity as fiscal agent for the Math Science Innovation Center (MSiC). The Center operates as an educational consortium, provides specialized educational opportunities to students of area jurisdictions, and is governed by a separate board that includes two officials from each of the jurisdictions.

Additionally, RPS serves as fiscal agent for the following schools and programs:

- Richmond Detention Center
- Virginia Treatment Center for Children
- Hospital Education Program
- Richmond City Jail Program

Richmond Schools Demographics

Average Daily Membership

March 31 Average Daily Membership, or ADM, is the student enrollment count that drives most state funding for public education. ADM is the total days in membership for all students, grades K through 12, over the school year divided by the number of days school was in session. School divisions receive state funding based on their students' ADM as of March 31st of the fiscal year. The budget is based on a projected FY2020 March 31 student ADM of 21,900.

An additional measure of student population is fall membership. Fall membership reflects the number of students enrolled in Richmond Public Schools on September 30th. Data are collected by school and reported by grade assignment and ethnicity. Excluded from the September 30 count are special education preschool pupils, pupils in hospitals, clinics or detention homes, and local programs such as vocational and alternative education centers (i.e., centers or schools which receive, but do not officially enroll students). September 2019 membership is projected to be 25,000 with approximately 1,600 Pre-K students and 1,300 Virtual students.

Free and Reduced Lunch Population

Free and reduced lunch population is a measure of poverty. As reflected in the Department of Education's October 31, 2013 report, RPS ranked as the 9th highest free and reduced lunch population in the Commonwealth with 17,351 or over 74.25% of our students receiving subsidized meals under the Federal school lunch program. The graph shown below depicts Richmond's status as compared to neighboring districts and the state average.

Source: Virginia Department of Education
School Nutrition Program Statistics FY2010 - FY2014

RPS applied and received approval to operate a Community Eligibility Provision (CEP) program effective July 1, 2014 whereby all students can eat breakfast and lunch for free. This works well in districts with significant poverty. Federal programs continue to use the prior year free and reduced applications for a two-year transition period. RPS no longer captures free or reduced eligibility information from students. The most recently captured data is presented above.

Special Education Students

Another factor for consideration in educating the students residing in the City of Richmond is that approximately 4,100 or 17.5% of our students qualify for special education services. The graph shown below represents the percentage of special education students benched against state-wide averages and surrounding districts; RPS = 17.5%, state average = 13.0%.

Fund Structure/Relationship

Richmond Public Schools has three basic fund groups; General Operating Fund, Special Revenue Fund and Capital Projects Fund.

General Operating Fund

The main fund is the General Operating Fund which encompasses over 78% of the district's financial resources. Expenditures in the general operating fund include salaries and wages, materials and supplies, utility costs, janitorial supplies, contracted services, and capital outlay expenditures. The majority of the revenue supporting the general operating budget comes from two sources – the City of Richmond and the Virginia Department of Education, 56.2% and 43.4%, respectively. The remaining 0.4% is generated through tuition, other fees, Impact Aid, and the Army reserve.

Special Revenue Fund

The Special Revenue Fund is used to account for the proceeds of special revenue sources (other than special assessments, expendable trusts, or major capital projects) that are legally restricted to expenditure for specified purposes. Richmond Public Schools receives program revenue from local, state, and federal entities with the single largest award being Title I followed by Head Start and Title VI-IDEA.

School Nutrition Services provides breakfast, lunch and snacks on a daily basis to all students within the division. Over 93% of the revenues supporting this program are derived from federal sources, including federal reimbursements for National School Lunch breakfast and lunch programs. The remaining revenues supporting Nutrition Services are garnered from state sources and through sales to adults and catering services. Effective July 1, 2014, all students are entitled to eat free breakfast and lunch under the Community Eligibility Program (CEP).

Capital Projects Fund

The Capital Projects Fund supports infrastructure maintenance, such as roofs, boilers, and electrical upgrades, and Americans with Disabilities Act (ADA) remediation projects. Capital projects are funded through appropriation ordinance by the City of Richmond. In conjunction with the City, the district develops a five-year capital plan to address the most critical needs facing our facilities. The plan is reviewed and updated annually taking into consideration any mechanical or system failures that seem imminent. Along with on-going infrastructure maintenance, the district completed projects which have made all City schools ADA accessible.

FY2019-2020 BUDGET**

Budget Process

The School Board's mission, vision, and goals statements provide the foundation for the recommendations contained within this Annual Financial Plan. Staff members at all management levels participate in the development of the budget. The budget is developed from guidance on priorities and strategic directions of the School Board. The budget is an evolving document that is revised and updated during each budget phase. The School Board holds numerous work sessions and at least one public hearing throughout the budget process. Richmond Public Schools has three budget phases in the development process:

Phase I – *Superintendent's Estimate of Needs* is the beginning phase of budget development used to gather input from parents, business leaders, and other community stakeholders. This phase represents the superintendent's presentation of the needs of the school division for the upcoming school year to the School Board in December or January (***Code of Virginia § 22.1-92***).

Phase II – *School Board's Approved Budget* is the School Board's recommended spending plan submitted to the Mayor, the City Administration, and the City Council. This phase consists of numerous work sessions and at least one public hearing to ensure input from all interested stakeholders. The budget is approved in January/February so it can be incorporated into the Mayor's financial plan for submission to City Council in March.

Phase III – *School Board's Adopted Budget* represents the School Board's adopted budget based on state funding levels and the appropriation ordinance adopted by City Council. The Mayor's recommendation is forwarded to the Richmond City Council, which must adopt the schools' appropriation by legal ordinance on or before May 15th of each year. Subsequent to the City Council's action, the School Board makes any required adjustments to balance the budget which is adopted in June.

Fiscally Dependent School Division

Richmond Public Schools is a fiscally dependent school division pursuant to State law. As a fiscally dependent school division, Richmond Public Schools does not levy taxes or issue debt. The School Board derives its authority as a political subdivision of the State and has the constitutional responsibility to provide public education to the residents of Richmond.

Budget Highlights

Revenue Summary

Richmond Public Schools is committed to providing high quality educational opportunities to all of our students. The School Board, Superintendent and Administration, and Instructional and Support Staff strive to make every day for our students a positive and fun learning experience. This budget was approved before final actions of the General Assembly, the Mayor and City Council, and as such, will require adjustments as we work towards an Adopted Budget. The highlighted revenues and expenditures included are a reflection of the budget at this time.

Local & State Revenue

As all school divisions in the Commonwealth, RPS receives substantially all operating revenues from state and local funds. For FY20, the School Board General Fund Budget anticipates \$134.7 million or 43.4% of funding from the state (including sales tax), an increase of \$4.2 million over the current year. Also, the budget includes \$174.6 million of funding from the City or 56.2%. This represents an overall increase of \$9.7 million over FY19.

Other Revenue

Other revenue includes items such as building rental fees and tuition. These streams of revenue total \$695,851 or 0.2% of the operating budget (net of any local increase). This funding category is projected to decrease \$40,000 for FY19 and is based on actual collections.

Federal Revenue

Federal funding that remains in the general operating budget consists of Impact Aid, Air Force and Army JROTC programs. These resources total \$630,000 or 0.2% of the operating budget. An increase of \$17,700 is projected for FY19.

Budget Highlights

Expenditure Summary

Each school year holds the promise of greater opportunity and success for our students as we continue the important work of creating a climate of high expectations and achievement within our schools. We are honored to serve the youth and families of the City of Richmond and remain committed to providing our students the best possible educational experience.

Educating our students is a partnership. It is a collaborative effort of our parents, teachers and staff as well as our community and business partners. Within our classrooms future leaders are being developed to compete in a dynamic, global environment. We must continue to provide opportunities for our students to develop 21st century skills and support the development of their critical-thinking. Our work continues to be focused on creating problem-solvers, not test takers. While the individual progress of our students may be mired by personal or societal challenges, our focus remains on meeting them where they are and working to catapult them into futures filled with promise and boundless opportunity. We are grateful for the continued support of every stakeholder in helping to create a stronger, better school system. Every Richmond City resident has a stake in the success of our school district. Investment in our schools is greatly valued and, most assuredly, will return the highest dividend for our community.

The FY20 financial plan includes a budget increase of \$9.7M, or 3.2%. The financial plan commits resources to implement a step increase for eligible employees on the teacher pay scales and a 3% salary adjustment for all eligible employees. This plan also provides resources totaling \$11.7M for implementing year two of the Dreams4RPS strategic plan.

**RICHMOND PUBLIC SCHOOLS
FY2019-2020 BUDGET**

Detailed Line Item Expenditure Budget

Richmond Public Schools prepares its detailed line item budget by Area and Organization. An area is an internally developed hierarchy used to manage the budget. Each area has assigned to it Organizations that represent schools or departments functioning within RPS.

RPS Areas are:

- | | |
|----|--------------------------|
| 01 | Elementary Education |
| 02 | Secondary Education |
| 03 | Chief Schools Officer |
| 04 | Chief Academic Officer |
| 05 | Chief Engagement Officer |
| 06 | School Board |
| 07 | Superintendent |
| 08 | Chief of Staff |
| 09 | Chief Talent Officer |
| 10 | Chief Operating Officer |
| 11 | System-Wide |

A summary of Organizations mapped to each area follows, as well as a description of each area along with each areas line item budget by Organization.

FY2019-2020 BUDGET**

ELEMENTARY EDUCATION

Elementary Education encompasses twenty-five elementary schools throughout the City of Richmond. These primary education facilities with grade levels from pre-kindergarten through fifth are listed below:

Bellevue	Blackwell	Broad Rock
Carver	Cary	Chimborazo
Fairfield Court	Fisher	Fox
Francis	Ginter Park	Greene
Holton	Jones	Mason
Munford	Oak Grove	Obama
Overby-Sheppard	Redd	Reid
Southampton	Swansboro	Westover Hills
Woodville		

Elementary education is crucial because it is where we build for every child a strong foundation for further education. Every child must learn how to read with comprehension, write coherently and expressively, compute and solve problems, respect cultural diversity, and basically learn how to learn! The staff needed to drive and facilitate this effort includes teachers, instructional aides, guidance counselors, principals, media specialists, arts and humanities teachers, and many others seeking to boost student performance through a wide array of innovative and focused instructional programs.

Five regional preschool centers are managed by the Chief Academic Officer – Academic Services (Area 4).

SECONDARY EDUCATION

Secondary Education responsibilities include seven middle schools, five comprehensive high schools, three specialty high schools (including a middle school component), two vocational schools, two alternative schools, two regional Governor's schools, and one regional program. This area provides direction in the implementation of a cohesive secondary education program.

The middle school program responds to the unique needs and characteristics of pre- and early adolescent students. The program model is comprised of a curriculum that consists of factual information, skills development, and activities designed to help students understand and cope with the phases of development they are experiencing at the time. In addition, the middle school embraces an instructional delivery system that emphasizes interdisciplinary team teaching, mini school academies within each school, and flexible scheduling. Students in grades 6, 7 & 8 are currently being educated in one of seven middle schools located throughout the City of Richmond. Of the seven middle schools, three are located south of the James River and four are located north of the James.

The middle school is often referred to as "The Crucial Link," as it must bridge the gap between the elementary years and, at the same time, prepare students for further education. Special emphasis is needed on mastering the basics, with academic intervention where needed, advanced course work for gifted students, socialization, and appropriate preparation for high school. In addition, effective staff and administrators drive the curriculum. Significant emphasis will continue to be placed on the integration of technology in teaching and learning. Other programs being implemented are Violence Prevention, School-To-Work, Peer Mediation & Conflict Resolution, increasing Honors programs for gifted education, Extended Day, Business Partnerships, Mentoring and Tutoring. In addition, the International Baccalaureate Middle Years Programme at Brown Middle School provides an academically-challenging course of study for qualified students, city wide.

The curriculum is comprised of two phases of organized knowledge:

Core: Language Arts, Mathematics, Science & History/Social Science

Expanded Core: Art, Music, World Languages, Health & Physical Education, Home and Family Living, Computer-Based Education, Vocational Education (Business/Marketing, Teen Living and Technology Education).

The high school program, often referred to as the "Gateway to the Future", too often is the last opportunity for many students to participate in a formal educational setting. Therefore, it is incumbent upon us to provide students with the training, knowledge and skills to move into the future. In addition to attending one of the five comprehensive or three specialty high schools, rising eighth grade students can apply to either the Maggie Walker Governor's School, the Appomattox Regional Governor's School, or CodeRVA Regional High School. Richmond Public Schools also offers adult, vocational and alternative education programs at Richmond Alternative School (formerly Adult Career Development Center (ACDC)) and Richmond Technical Center North & South. Interested students may participate, with other students from the Richmond Region, in Saturday and summer programs at the Math Science Innovation Center.

SECONDARY EDUCATION

The high schools include:

Comprehensive High Schools	Specialty High Schools	Vocational Schools	Alternative Schools
Armstrong	Franklin Military	RTC – North	Richmond Alternative School
Huguenot	(with a Middle School Component)	RTC – South	Appomattox Governor’s School
Jefferson	Open High		Maggie Walker Governor’s School
Marshall	Richmond Community		Math Science Innovation Center
Wythe			CodeRVA Regional High School

The high school program promotes excellence by providing a comprehensive, attractive and challenging instructional program, which stresses the utilization of information and the development of competencies and skills. Upon completion, students are prepared to enter the work force and become productive citizens, and/or continue their education. The high schools also embrace an instructional delivery system that emphasizes interdisciplinary team teaching, cooperative learning, flexible block scheduling/seven period/eight period day, occupational preparation, work-study and vocational and technical training.

The curriculum is comprised of two phases of organized knowledge:

Core: Communicative Arts, Mathematics, Science & History/Social Science

Electives: Technology, World Languages, Fine Arts, Vocational Programs, and Physical Education

The current emphasis is reaching academic achievement in all areas, placing and integrating appropriate technology in the high schools and into the curriculum. In addition, the high schools continue to emphasize Peer Mediation, Violence Prevention, and Conflict Resolution. Other programs being provided are Business Partnerships, Mentoring, Tutoring, and Extended-Day opportunities. To continue to provide the needed and appropriate experiences for high school-age students, a well-prepared and sensitive staff and administrators are needed. Additionally, the International Baccalaureate Middle Years Programme and Diploma Programme are offered for ninth and tenth graders and eleventh and twelfth graders, respectively, at Thomas Jefferson High School. These programs serve students, city-wide, who meet the entrance requirements.

It is the mission of the Richmond Technical Center (RTC) to prepare students for marketable skills for employment and career development through effective programs; to initiate liaison activities with business and industry, federal and state governments and to develop resources for the school division.

Richmond Alternative School

Richmond Alternative School is a secondary school for select students in grades 6-12. Students enrolled have experienced ongoing or significant behavioral challenges in comprehensive settings and require intense social skill development via individual behavioral support plans. The goal of Richmond Alternative is to enhance students’ pro-social skills and increase their academic achievement so that they can successfully return students to their comprehensive schools.

SECONDARY EDUCATION

Richmond Alternative also serves as / will serve as the school of record for students enrolled in Aspire Academy and the new middle school over-age program.

Aspire Academy

Aspire Academy is alternative program, which opened in September 2015, provides select over-age, under-credited high school students the opportunity to obtain a high school diploma via a modified school schedule and blended learning model. Aspire Academy is currently housed in the Richmond Technical Center (RTC).

CHIEF SCHOOLS OFFICER

Chief Schools Officer

The Chief Schools Officer is responsible for direct administrative supervision of schools, school programs, centers, and assigned departments for developing effective working relationships with the Chief Academic Officer, Directors of Elementary, Middle, and High Schools, curriculum and instruction, support services, Chief Operating Officer and Chief Talent Officer. The work involves direct supervision of principals and assigned directors and/or coordinators; explaining and interpreting the instructional program to the staff, parents, and the public; working cooperatively with advisory boards and the PTA Council; and responding to parent and community concerns. The Chief Schools Officer participates in system-wide policy development as a member of the Superintendent's leadership team. This office provides leadership in support of the superintendent for the development, promotion, and implementation of the division's goals and objectives; provides professional development of principals; oversees and monitors the development of the specific goals and objectives of each school; and coordinates schools' education programs with other departments. As directed by the Superintendent, the Chief Schools Officer is fully responsible for resolving problems and making final decisions pertinent to the operation of the school, school programs, and assigned departments. Additionally, the Chief Schools Officer assumes full responsibility for schools' adherence to school board policies and regulations and to State and Federal rules and regulations; acts as the chief of organizational development and management for assigned schools and departments; and develops, submits for approval, and administers a budget for assigned schools and departments.

School Culture, Climate & Student Services

The Department of School Culture, Climate & Student Services is responsible for supporting the district in creating safe, supported and nurturing environments for all students. To that end the department provides supports in the form of Attendance and Truancy, Behavioral Supports, Violence Prevention and Social Work Services utilizing a trauma informed lens to guide all work.

Attendance:

Attendance Officers are responsible for ensuring all students are registered for school and attending all day, every day. Officers also enforce the Code of VA Compulsory attendance by way of conducting home visits, school / classroom visits, participating on school based Student Attendance Support Teams (SAST), conducting community based truancy sweeps. Officers connect with students, families, community partners and stakeholders to ensure students are connected to appropriate services to support academic success.

Violence Prevention:

Violence Prevention Specialists are responsible for prevention and intervention measures to maintain safe school environments. They provide direct intervention and restorative practices at the individual student and small group levels. Additionally they provide prevention education and outreach information via classroom based instruction and community / parent workshops. Service delivery includes presentations in elementary and secondary schools to students, school staff, parents and community-based agencies to provide support, training and strategies in the components of:

**RICHMOND PUBLIC SCHOOLS
FY2019-2020 BUDGET**

CHIEF SCHOOLS OFFICER

- Conflict Resolution
- Mediation
- Bullying Prevention
- Gangs Prevention
- Youth Violence Prevention

Behavioral Support:

The Behavioral Support team supports schools and students by providing behavioral programming in a therapeutically supported educational environment. Specialists work with staff by consulting and partnering on trauma informed classroom management strategies rooted in social emotional foundations. Additionally, they provide individualized student supports including the completion of functional behavioral assessments (FBA) and behavioral intervention plans (BIP).

School Social Work Services:

School Social Workers work to ensure that students have all services and resources needed to realize success both academically and socially. Social workers are behavioral and mentally health prepared staff who support students in families by providing:

- Resources for basic needs such as food, clothing, and shelter
- Socio-cultural assessments
- Attendance support
- Student and classroom observations
- Educational programming for parents and staff
- Mental health consultation and referral for services
- Individual and small groups (i.e., social skills, self-esteem, teen parenting, etc.)
- Crisis and grief intervention

Health Services:

The Health Services Program provides medical supervision/services in support of school nurses, health education/health promotion, student assessment, the management of student medical needs, and the development of district policies and procedures. School nurses provide for a continuum of health care needs for students which impacts student attendance and overall student achievement. The Health Services team collaborates with community partners to provide a variety of initiatives and access to services within the school building as well as serves as a liaison between the school, home and medical community.

Hearing Office

The Hearing Office coordinates and enforces the school division's efforts to maintain safe, healthy learning environments in each of its schools. The mission of the Hearing Office is to ensure that education is provided in an atmosphere that is conducive to learning, free of disruption and threat to person or property, and supportive of individual's rights. The office implements School Board Policy and the *Student Code of Responsible Ethics* (SCORE) through the accomplishment of the following goals:

**RICHMOND PUBLIC SCHOOLS
FY2019-2020 BUDGET**

CHIEF SCHOOLS OFFICER

- Assists schools with providing a safe environment that is conducive to learning and free from disruptions
- Provides training that addresses the implementation of the SCORE
- Ensures the establishment of guidelines for student conduct that are acceptable and appropriate within the school environment
- Ensures that the SCORE and the disciplinary process and procedures are managed effectively, consistently, efficiently, and legally as set forth in School Board policies

School Safety Services

The Safety and Security Department consists of a Chief, Administrative Office Specialist, Safety Trainer, Dispatcher, Zone Supervisors, Security Specialists, and an Emergency Crisis Response Coordinator.

School Safety Services is charged with implementing a continuum of services to create safe, orderly and nurturing instructional environments to meet the diverse learning needs of all children. This aspect of school operations is becoming extremely crucial as changes in our society are reflected within our schools. As such, this functional area warrants special attention and description. Richmond Public Schools is committed to ensuring a safe and secure environment, conducive to teaching and learning. The accomplishment of this goal requires collaboration with all administrators, teachers, students, parents and the Department of Safety and Security.

The department is structured to respond to the traditional demands for service through on-site and field staff assignments. Security Specialists are primary respondents to violations of the Student Code of Conduct and the criminal code. Security Specialists require a minimum certification of thirty-two training hours through the Virginia Department of Criminal Justice Services (Virginia Center for School Safety) and complete eighty hours of annual security training. Security Specialists are located at secondary and specialty schools. Roving personnel have additional responsibilities including training, investigations, special events, tactical exercises, gang intelligence, and surveillance. The department is the primary liaison to law enforcement and criminal justice agencies and maintains a cooperative working relationship with other city and school departments. The overall mission is accomplished through a variety of strategies and activities.

FY2019-2020 BUDGET**

CHIEF ACADEMIC OFFICER

Responsibilities under the Chief Academic Officer for Academic Services include Elementary and Secondary Instructional Programs, Virginia Preschool Initiative, Regional Preschool Centers (5), Army Instruction, Career and Technical Education, English as a Second Language, Humanities Center, Gifted and Talented, Guidance, Instructional Technology, Test Management, Professional Development, Accountability & Research Services, Library Resources, Exceptional Education and Charter Schools. This office develops and implements curricula based on policy emanating from the Virginia Standards of Quality, Virginia Standards of Learning, Virginia Standards for Accrediting Schools, Richmond Public Schools' policy, and nationally sanctioned content area standards. Specific regulations impacting this Department are Sections 2.02, 2.03, and 5.01 through 5.18 of the Bylaws and Policies of the School Board of Richmond. The instructional program is the CORE of the school division. Support is provided for all schools to be in compliance with federal, state and local mandates and regulations.

The mission of the department is to provide division-wide curriculum and instructional services specifically designed to ensure that every student has access to varied and challenging courses and that school staff have training and resources to implement best practices.

Academic Services:

- Assures accountability for student learning and achievement.
- Develops standards for the improvement of curriculum and instruction.
- Conducts analysis of instructional programs and materials and works to ensure that curricula are designed with focus and connectivity for effective learning.
- Supports the development, implementation, and evaluation of effective instructional programs for use in schools.
- Organizes and coordinates the summer school program.
- Organizes and coordinates staff development for teachers and other instructional leaders.
- Implements state standards of learning assessments.
- Ensures the development and implementation of effective curriculum and instruction for exceptional education students that meet or exceed state and federal guidelines.

Office of Exceptional Education

Richmond Public Schools provides a continuum of services for students with disabilities, ages two to 21 inclusive, who are found eligible to receive special education and related services guided by the Regulations Governing Special Education Programs for Children with Disabilities in Virginia. It is the goal of the division to ensure that each student with a disability has the opportunity to acquire the knowledge, skills, and competencies consistent with his/her potential to achieve. The Office of Exceptional Education employs professionals that serve as a resource to schools and stakeholders in order to consult on matters exclusive to the needs of students with disabilities to improve their academic and/or social/emotional outcomes. Additionally, program support, evaluation and monitoring

are provided in the following areas: disability specific programming, inclusion, transition, psychological and social work services, assistive technology, and related services.

Psychological Services

School psychologists provide a range of services to assist children and adolescents in their learning, growth and development by providing supportive services to help students meet academic and emotional challenges. Psychological Services consist of direct and indirect interventions that require involvement with the entire educational system, including students, teachers, counselors, administrators, other school personnel, families, community agencies, and a variety of others that may be important on an individual basis. School psychologists tailor their services to the particular needs of each child/adolescent and each situation. Some of the core services of a school psychologist include: consultation, assessment, intervention, counseling, education and prevention.

School psychologists are unique in the educational setting because their training equips them to provide psychological evaluation and facilitate mental health service delivery in the schools, while at the same time supporting the learning process, child development and the understanding of educational systems. School psychologists serve as a vital part of the Exceptional Education and Student Services team and work closely in conjunction with school counselors, teachers, and administrators in the delivery of services to address the educational, emotional, and social and career needs of students and families.

The primary intent of the provision of psychological services is to promote mental and physical wellness and facilitate learning of students. School psychologists are in a strong position to help support the attainment of the goals outlined in the Strategic Plan. The overall goal of the psychological services program is to increase student capacity to overcome academic, personal, and social problems that could hinder their attainment of educational success and a satisfying and productive life.

Pupil Placement Services

The Office of Pupil Placement Services provides leadership for home-based instruction, homebound instruction, and re-enrollment to make certain students receive the appropriate educational support as they transition between educational settings. Additionally, Pupil Personnel Services facilitates Open Enrollment (school choice process), the development of the student code of conduct, also known as the *Student Code of Responsible Ethics*, and works collaboratively with a team to develop the division calendar. Moreover, Pupil Placement Services endeavors to ensure students are enrolled in school, in the appropriate program, as quickly as possible for increased student achievement.

Homebound / Home-Based Services

The Office of Pupil Placement Services facilitates instruction for students who are confined to their home or a facility due to health, school related behavior issues, or serious or felonious charges from alleged crimes that were committed in the community. There are three designations that are used

for instruction that is provided at home or alternate location other than school. Homebound instruction is provided for students who are unable to attend school due to a medical illness. Home-based instruction is provided for students who have a 504 plan or an IEP program. Students that have committed an alleged serious or felonious crime in the community may receive home-based instruction based upon their court petition.

CHIEF ENGAGEMENT OFFICER

Chief Engagement Officer

The Chief Engagement Officer is dedicated to creating and supporting partnerships among schools, families, and communities. The Office promotes welcoming environments in RPS, builds capacity for authentic engagement and supports effective partnerships among students, families, schools and the community to ensure student readiness and achievement from birth to graduation.

The office partners with families, students, staff and the community to deliver programs and initiatives designed to build and support capacity for authentic engagement. Further, the OOE develops, promotes and assists in the coordination of collaborative efforts between schools and the business, faith, civic and nonprofit communities.

The Office is comprised of several departments including McKinney-Vento Regional Homeless Education, Language Support, the Welcome Center, Parent Liaisons and Business/Nonprofit/Faith/Volunteer partnerships. The Office is designed to support schools and encourage family and community involvement through training, outreach, community collaboration, education and awareness to improve student achievement.

Research indicates that student academic performance is significantly enhanced by strengthening the connectedness between families, communities and schools. To that end, Chief Engagement Officer has developed significant partnerships with the major family-serving agencies in the City of Richmond including the Department of Social Services, Richmond Re-development & Housing Authority, Richmond Police Department, Richmond Behavioral Health Authority and a host of other services as staff work collaboratively to comprehensively address the needs and enhance success of families. Additionally, the Welcome Center, housed in a city facility, provides services to foster ease of access and connectedness between city agencies to support non-English speaking families to include registration, parent education and advocacy.

The Office of Engagement supports families by engaging, assessing and connecting families to school and community-based services with a goal of increasing engagement in schools and overall academic success. Staff works with families in a variety of locations including schools, homes, hotels and shelters as needed where they conduct informational parent workshops to support learning and strengthen capacity.

SCHOOL BOARD

Areas of responsibility under the School Board include: Office of the Clerk, and Internal Audit. The Code of Virginia, Title 22.1-28 vests the authority for the supervision of the school district in the School Board. The powers of the Board are delineated in the Code of Virginia, the Charter of the City of Richmond, and regulations promulgated by the State Board of Education. The School Board of Richmond City Public Schools sets policies and goals for educating the students within the system. The Board usually meets twice a month and holds special meetings and hearings as needed during the year to ensure accomplishment of its objectives and priorities. Board meetings and work sessions are held on the first and third Monday of the month at 6:00 pm in various school locations and/or in City Hall. Meetings are open to the public and all stakeholders are encouraged to attend.

The mission of the Richmond School Board is to provide our students with high quality educational experiences so that our public schools are the choice of all Richmonders; to ensure that parents, families, and the community-at-large are involved in the activities of students; to ensure that students:

- master the essential skills of reading, writing, mathematics, and reasoning
- grow creatively, culturally and physically in order to become life-long learners; and
- learn to appreciate cultural diversity, become responsible citizens, and lead productive lives

Internal Audit performs independent and objective assessments of departments and programs within the district at appropriate intervals to assist management in meeting their objectives and improve the district's operations. Internal Audit evaluates the adequacy and effectiveness of risk management, internal controls, and governance processes. This office is also responsible for fifty-three annual student activity fund audits including monitoring the automated accounting system for student activity funds. Audit also assists departments and schools in resolving procedural problems. In addition, Internal Audit provides audit assistance to the external auditors for the School Board's annual audit, making recommendations for improved operations.

**RICHMOND PUBLIC SCHOOLS
FY2019-2020 BUDGET**

SUPERINTENDENT

The Superintendent of Richmond Public Schools is the chief executive officer of the school district and responsible for all instructional programs and administrative activities in the system. The Code of Virginia, Title 22.1-58 requires each school division to have a Superintendent.

The Superintendent of Richmond Public Schools:

- Leads the transformation of the Richmond Public Schools organization to ensure support for high student achievement and meaningful collaboration with the community.
- Administers all Board policies through use of appropriate regulations, procedures, rules, laws, and practices.
- Provides the Board with timely and accurate information regarding instructional programs, finances, and management initiatives.
- Provides the learning community with meaningful information concerning school system developments as they relate to student achievement, behavior, attendance, or other issues.
- Communicates with key legislative officials, selected city and county elected officials, selected city and county administrative officials, business and community leaders, and others to secure additional support for various RPS priorities and activities.
- Provides leadership to the school system by organizing, controlling, directing, and evaluating the quality and effectiveness of each functional operation of the system.

Several benefits are derived from the activities of this office, although the most important one involves public accountability for developing and administering an effective school system for children of the community. The School Board mission, vision and goals are translated into objectives by schools and accountability center offices. Each objective is reached through a variety of strategies including curriculum innovations, staff development, program planning, student assessment, parent engagement, and partnership initiatives. Through these strategies, student outcomes are targeted, measured, and evaluated to ensure progress is being achieved. The outcomes involve issues such as academic performance, technical skills, career readiness, enriched social and athletic skills, and good citizenship.

CHIEF OF STAFF

The Office of the Chief of Staff is a function of the Office of the Superintendent. The Office of the Chief of Staff has budgetary oversight for the Office of Communications & Media Relations.

Office of Communications & Media Relations:

The Office of Communications & Media Relations (OCMR) manages both internal and external communications for Richmond Public Schools (RPS). Through this work, OCMR effectively advances the image and brand of RPS through strategic communications that showcase the school district's value and impact.

The mission of the Office Communications & Media Relations is to communicate the district's goals, objectives and successes to both internal and external stakeholders - including employees, students, parents, civic organizations and area businesses - through a comprehensive, multi-tiered public relations and marketing strategy. OCMR:

- produces and distributes digital and print publications
- produces content for RPS' website
- promotes print, radio, and television coverage of RPS news and activities
- manages the district's social media channels
- coordinates special events for the district

CHIEF OPERATING OFFICER

The responsibilities of the Chief Operating Officer (COO) include: Fiscal Accountability Services and Risk Management Services. This area provides key organizational management support and direction to ensure that all school system programs are geared to support and enhance student performance through effective and efficient use of school division resources. Additionally, the COO is responsible for the oversight of support areas that ensure students: are in a safe and comfortable learning environment and are efficiently and safely transported to and from school. School Nutrition Services (SNS) is a function of Operations and is responsible for ensuring that students have their nutritional needs met in accordance with national and state guidelines. The School Nutrition Services budget is reflected in the Non-General Fund area of the budget document.

Fiscal Accountability Services:

Finance is responsible for disbursement, receipt, and accounting for all transactions in compliance with School Board policies, federal, state, and local laws. The Finance Department processes and accounts for all payroll and accounts payable activities. The department serves as the fiscal agent for a multitude of local, state, and federal grants and special revenue funds by processing billing, collection and deposit of revenues. Finance oversees the collection and reconciliation of all cash, electronic fund transfers, and city appropriations. The Finance Department also prepares the Comprehensive Annual Financial Report (CAFR). The department prepares financial data and works with external auditors to produce the CAFR to ensure RPS is operating under GAAP standards. The Finance Department (in partnership with the Budget Office) prepares the Annual Superintendent's Report for submission to the Virginia Department of Education.

Budget & Planning develops, monitors, and revises the annual operating financial plan for the school division. Additionally, the department monitors and revises special revenue, Nutrition Services, capital projects, and other school funds. The department monitors budget and expenditure variances throughout the year, making necessary recommendations to ensure the division remains in a favorable financial position. Additional responsibilities include oversight and preparation of many internal and external financial reports. Primary reports include the monthly financial statement for Board approval and the Annual Superintendent's Report for submission to the Virginia Department of Education (in partnership with the Finance Department).

Procurement is responsible for procurement activities for all schools and departments including coordinating CIP projects, processing all requisitions, bids, and purchase orders, working with city and state officials to gain economies of scale involving contracts and bids, and maintaining all copiers for the school division.

Property Management ensures appropriate receipt, inventory and disposition of all fixed assets system-wide, evaluates and updates property records to remain in compliance with GASB standards, and coordinates with procurement and property management (formerly warehouse) staff to ensure that property acquisitions are tagged and recorded efficiently. The RPS central warehouse was closed at the beginning of 2015-16 because the cost of operating the warehouse at the appropriate level exceeded the savings realized from bulk purchasing.

Risk Management is responsible for risk management and insurance matters affecting the school system. The department negotiates fee-for-service brokerage contracts for property and casualty insurance, develops effective loss controls, works with claims administrators, and maintains risk-financing program to cover liability and property losses.

CHIEF OPERATING OFFICER

Pupil Transportation Services

The Department of Transportation operates on the authority of Federal and State laws, as well as directives from the Virginia Board of Education and the Richmond School Board. The primary mission of the Department of Pupil Transportation is to provide daily transportation from students' homes to schools within the Richmond Public Schools' system. The department also provides auxiliary transportation for students from schools to various other sites, including vocational and exceptional education centers, sports activities, and off campus field trips. Two-thirds of the entire RPS population is transported daily on buses managed by the Department of Pupil Transportation. The mission of the Department of Pupil Transportation is accomplished by:

- Maintaining the RPS bus fleet of over 200 school buses. Preventive maintenance, repairs, periodic inspections, and scheduled replacement ensure that buses are fully operational and safe.
- Hiring, training, and personnel management of bus operators and monitors. This includes hiring new personnel, initial and refresher training, discipline, performance reviews, payroll, personnel management, and arranging for health care providers to accompany certain disabled students. This department manages over 180 operators and monitors.
- Planning and updating bus routes and bus stops throughout the City of Richmond. This requires continuous analysis of census data, traffic patterns, school bus capacities, exceptional education students' needs within the transportation guidelines established by the Richmond School Board. This function also includes publication of route information to drivers, students, parents, and school principals.
- Providing auxiliary transportation support for students, RPS employees, and other educational support programs on a reimbursement basis. Auxiliary transportation services include such activities as sporting events, exceptional and vocational education programs, off campus field trips, and community volunteer programs.
- The department also manages and operates the logistics infrastructure to perform its mission. This department operates the 800MHz radio network to the buses. It uses on-board video cameras, random employee drug testing, and written incident reports to improve safety and security. The safety section investigates and reviews all bus accidents. Their findings further increase safety by identifying causes and corrective actions. The department staff also prepares budget and performance data reports, assesses road conditions, and handles customer service requests/complaints.

Facility Services

Facility Services provides safe, clean, and attractive learning environments for students, staff and visitors by continually maintaining and improving facilities. The department utilizes innovation and creativity to provide services in a responsive, effective and efficient manner that inspires a continuous increase in student achievement utilizing the following methods:

- Recruit, train, and retain a high quality staff
- Work in a safe manner to increase the efficiency of services
- Make planning an integral component of all division functions
- Improve the quality of on-going, effective two-way communication
- Solicit and receive feedback from our internal and external customers

CHIEF OPERATING OFFICER

Information, Communication, & Technology Services (ICTS)

The primary goal of Information, Communication, & Technology Services (ICTS) is to provide intermediate and long-range computer information support services to all schools and departments in the district. This goal is accomplished by coordinating and maintaining an AS/400 hardware configuration and a Windows™ server and network infrastructure that supports primary applications of the Comprehensive Information Management for Schools (CIMSIII®) system and ASPEN Student Information System (SIS), and by coordinating development of hardware/software standards for schools and departments. Additionally, the department provides control, storage, and reports on student information databases including student demographics, attendance records, grade reporting, and class scheduling, and assists in the student membership projection process. ICTS also maintains the division's web site support, provides technical expertise and programming services to school and departmental staff seeking data, reports, or file extracts from the AS/400.

**RICHMOND PUBLIC SCHOOLS
FY2019-2020 BUDGET**

SYSTEM-WIDE EXPENDITURES

System-Wide Expenditures includes Tuition & Transfers, Retirement & Benefits, Utilities and the Strategic Plan. These functions encompass items such as transfers to other funds, tuition payments for students attending regional programs, funding for the early retirement program and utility payments.

Tuition & Transfers consists of “operating transfers out” and “tuition” paid to regional programs. Operating transfers to other funds are the general fund contribution to support the many diversified programs and operations such as: Head Start, Adult Basic Education, Early Intervention Reading Initiative, Alternative Education, Dual Enrollment and the Patrick Henry Charter School for Science and Arts. Tuition payments support students attending Appomattox Regional Governor’s School, Maggie L. Walker Governor’s School, Mathematics Science Innovation Center and CodeRVA Regional High School.

Retirement & Benefits functions as a repository of funds that are expended for the school system's legal obligation toward health care payments for retirees, the early retirement program and the employers match for the deferred annuity plan.

Utilities covers district-wide payments for electricity, water/sewage, natural gas and refuse disposal for RPS operated facilities. A new line has been added for FY20 to pay the City of Richmond for storm water utility. Utilities also covers lease payments for facilities services equipment.

Strategic Plan initiatives included in the FY20 financial plan are comprised of year two action items of the Dreams4RPS.

252, 256, 269	Before and After School Programs – Fisher (252), Munford (256), Francis (269)	The Before & After Care program is designed to provide a structured school-based child care program that meets or exceeds the State standards for Child Care programs. Tuition for the program is based on staff and materials costs and is currently about 30% lower than comparable programs outside of school. The Before Care program allows parents to drop children off at school as early as 7:30 a.m. Activities are provided and children eat breakfast as a part of the RPS breakfast program. The After Care program serves children from dismissal until 5:45 p.m. each day. The program includes various sports, game and craft activities, homework help and includes snacks. Because the program is school based, children can participate in the many other after school programs including extended day tutoring, soccer, tennis, foreign language, and Tae Kwon Do.
253	Richmond Career Education Academy	This is a Charter School that provides an intensive functional life skills curriculum that is oriented toward career education and competitive employment for Richmond students, ages 14-21. These students have significant cognitive disabilities, have a need for a functional communication system, demonstrate significant deficits in social competence, and typically graduate with a Special Diploma. This school is partially funded by a federal grant and partially with a local fund transfer.
255	Partners in the Arts	The Partners In the Arts program is coordinated through University of Richmond, which provides funding to support innovative art projects for students and teachers within the schools. Teachers are encouraged to apply for grant funding to support materials/supplies, and consulting services.
258	Project Graduation Summer	The Project Graduation Program is funded through the Department of Education and provides remedial instruction and assessment opportunities for students at risk of not meeting the commonwealth's diploma requirements. The program consists of remedial academies offered during the school year, summer, as well as online tutorials to assist students in meeting the requirements needed to pass the Standards of Learning (SOL) tests in reading and Algebra I.

260	Early Reading Intervention	State Funding provided through VDOE. The purpose of the initiative is to provide early reading intervention services to students in kindergarten through the third grade who demonstrate deficiencies in performance on a diagnostic screening tool approved by the Department of Education. As the result of the intervention services, the essential reading skills of the identified students will be monitored and improved by the end of each grade level, kindergarten through third grade. This initiative will assist school divisions in their ongoing efforts to have all children reading well and on-grade level by the third grade. Correcting early reading deficits also may remove a barrier to success on the Standards of Learning assessments in the third grade, thus enhancing school accreditation ratings.
263	Positive Behavior Intervention Support	Positive Behavioral Interventions & Support of Virginia (PBIS) is an initiative to support positive academic and behavioral outcomes for all students. The program is designed to help teachers and administrators learn about and implement discipline approaches that reduce disruptive classroom behavior.
264	Capital One /ACDC/CIS Grant	Residual Funds from grant awarded through Capital One to support payment of salary and benefits for a transition coach at the Adult Career Development Center. The purpose of this position was to support academic achievement, student attendance, and workforce development. ACDC is no longer operational.
265	Tech Connect Grant	This program, funded through the Richmond Education Foundation, will support the purchase of 15 laptops for each middle school to allow students to "check out" the equipment as needed for school assignments and projects.

366	Juvenile Detention Reading Program	The purpose of the Juvenile Detention Center - Reading Program is to provide funding under the Title I, Part, D, Neglected, Delinquent, or At-Risk grant to authorize employment of a Title I teacher for the Richmond Juvenile Detention Home. These funds pay a part-time position, with specialty in the area(s) of math and/or language arts.
373	Vocational Education – Apprenticeship	Adult & Youth Apprenticeship's are supported by the Commonwealth of Virginia Department of Labor & Industry and are designed to provide specific information and knowledge essential to the apprentice for the full trade mastery. Related instruction often includes training in reading blueprints, trade science, terminology, math, physics, safe work habits and human relations.
377	Vocational Entitlement – Carl D. Perkins	Carl D. Perkins Vocational and Applied Technology Education Act, Title II, Public Law 101-392, 20 is designed to make the United States more competitive in the world economy by developing, more fully, the academic and occupational skills of all segments of the population. This is achieved by concentrating resources on improving educational programs leading to academic and occupational skills needed to work in a technologically advanced society. Under Carl D. Perkins Richmond Public Schools receives funds for the following programs: Occupational Prep, Adult and Vocational Education Equipment.
378	CTE Equipment	State funds provided for the purchase of secondary career and technical education equipment. LEAs must demonstrate that local funds have been expended.
383	Hospital Education Flow Through	Hospital Education Flow-Through or Title VI, Part B (IDEA) Section 611 are federal funds, provided through the State of Virginia, for State Operated Programs (SOP) such as MCV, to supplement and enhance on-going programs for children with disabilities. Richmond is the fiscal agent for MCV.
385	Vocational Education – Adult Entitlement & Occupational Prep	Vocational Education Programs are designed to ensure that continuing education prepares all youth and adults for careers which will enable them to contribute to a competitive and technology based society. Adult Education funds provide adult education for persons who have academic or economic disadvantages, and who have limited English-speaking abilities. These funds pay for full-time and part-time teacher salaries and supplements to existing teacher salaries.

387	Title IV, Part A, Student Services & Academic Enrichment	The purpose of this federal grant is to improve students' academic achievement by increasing the capacity of states, local educational agencies, schools, and local communities to: (1) provide all students with access to a well-rounded education; (2) improve school conditions for student learning; and (3) improve the use of technology in order to improve the academic achievement and digital literacy of all students.
390, 392, 393, 394, 398	Technology Initiative – VPSA (Virginia Public School Authority)	Chapter 899, 2002 Acts of Assembly, authorizes the Virginia Public School Authority (VPSA) to conduct a sale of equipment notes, Series IV, to be issued in the spring to continue funding to school divisions to develop and implement the SOL Web-based Technology Initiative.
396	Virginia Commission for the Arts in Education	Artists-in-Education is a matching-grant program from the Virginia Commission for the Arts (VCA), which, through RPS Arts & Humanities Center coordination, brings professional artists - visual, performing, and literary - to the school system for 10- to 90-day residencies variously serving all levels of instruction. The daily format, as specified by VCA, serves both school and artist: 50% of the school day is instructional, involving workshops and presentations designed to support and extend curriculum in terms of the artist's specialty; and 50% is "studio" time for the artist, involving pursuit of personal work which students and teachers may observe. The instructional component includes an in-depth experience for a "core" group or class identified by the school, as well as two or more sessions with other selected classes. Other features of the residency are artist-led in-service workshops for faculty, and presentations of student work (exhibition, performance, or publication) reflecting pupil response. The program promotes examination of the given art form both as an educational discipline in itself, and as a means of support to other areas of instruction.
397	Middle School Teacher Corps	State Funding – the Virginia Middle School Teacher Corps (MSTC) helps school divisions fill a critical teacher shortage area, middle school mathematics. By providing targeted funding to help school divisions recruit and retain qualified middle school mathematics teachers, students are better able to meet curriculum standards and have a more solid foundation for success in high school mathematics.

502	School Nutrition Services	This enterprise fund records all financial transactions for the RPS School Nutrition Services (SNS) Department. Funding sources are federal, state and local (billings / recoveries). School Nutrition provides breakfasts, lunches and snacks which meet the nutritional requirements of the United States Department of Agriculture. All staff are paid through this fund as well as all food supplies and materials for school cafeterias.
503	Arthur Ashe Center	The Arthur Ashe Athletic Center is a 72,000-square-foot, 6,000 seat multi-purpose arena containing a basketball court and indoor track. Built in 1982, it hosts local sporting events and concerts. It is named after former tennis player and Richmond resident Arthur Ashe.
604	Copy Center (inactive)	This is an internal service fund that tracks the activities of the RPS Copy Center. The Copy Center is located on the 16th floor of City Hall providing copying services to all schools and departments within Richmond Public Schools. The Center accommodates many large volume copying jobs, such as curriculum guides and instructional manuals that schools and departments are not equipped to produce. The center offers these services at a nominal fee sufficient to cover the operational expenses making it self-sustaining. The Copy Center offers economy, fast service, and the convenience of being connected to the RPS technology network.

701	Allen Trust Fund	This trust fund records transactions related to activities of the Allen Trust Fund (interest collections and small disbursements). This trust fund was established in 1958 by decree of the Chancery Court under the stipulations set forth in the will of Otway S. Allen. The intent of the trust was to designate that interest income be used for educating and training of students in the scientific and mechanic arts (Virginia Mechanics Institute). The institute was developed specifically as an evening school for adults with program and curricula designed to meet vocational and technological needs of its students and businesses of that time. Based on School Board action that followed the establishment of the Trust, the "William C. Allen and Allaville Allen School of Technology" was created. As part of the endowment stipulations, the trust fund has been carried as a special fund and unrelated to the School Board general fund operating budget. The expenditures from this fund are part of the responsibility of the Principal of the Richmond Technical Center and interest income can be budgeted for his/her use.
703	Special Building Trust Fund - Expendable	This fund records activity of a restricted building trust account. The only transactions recorded in this fund have been interest earnings and finance charges for the last several years.
805, 807, 815, 825, 829	Math Science Innovation Center	These agency funds track and record the activity of the Math Science Innovation Center (MSiC). RPS serves as the fiscal agent for the MSiC and these funds are reported in conjunction with RPS activity purely for appropriation purposes. MSiC is governed by a board separate from the RPS School Board.
830	Maggie L. Walker Regional Governor's School	This agency fund tracks and records the activities of the Maggie L. Walker Regional Governor's School (MLWGS). RPS serves as the fiscal agent for the MWGS and this fund is reported in conjunction with RPS activity purely for appropriation purposes. MLWGS is governed by a board separate from the RPS School Board.

The City continues to emphasize the importance of addressing its infrastructure needs while also investing in economic development projects and improvements that will make a return on investment to the City's coffers. The City uses the Capital Improvement Program (CIP) to strategically invest in and develop capital projects. A project that is included in the City's capital budget is broadly defined as requiring the expenditure of public funds, for the purchase, construction, enhancement or replacement of physical infrastructure/assets.

To be included in the CIP, the project should cost more than \$25,000 and must have an expected useful life greater than the life-span of any debt used to fund the project. Projects include construction and major renovations of buildings; economic development activities; acquisition of property; repairs and improvements to roadways, bikeways, and sidewalks; and the efficient operation of the water, sewage and gas systems. Other costs associated with the capital budget include, but are not limited to, architectural and engineering fees and site development.

Capital Projects Fund, from the school division's perspective, supports infrastructure maintenance, such as roofs, boilers, and electrical upgrades. Capital projects are funded through appropriation ordinance by the City of Richmond. In conjunction with the City, the district develops a five-year capital plan to address the most critical needs facing our facilities. The plan is reviewed and updated annually taking into consideration any mechanical or system failures that seem imminent.

SCHOOL MAINTENANCE

The Capital Improvement Plan, for years 2020 through 2024, is used to identify, plan and fund the major building systems, infrastructure and site feature replacements to ensure a safe, reliable and sound instructional environment for the students, faculty and administration of Richmond Public Schools.

The basis of this plan is determined by the life expectancy of major building systems (i.e. HVAC, Plumbing, etc.) as determined by the American Society of Heating, Refrigeration and Air-conditioning Engineers (ASHRAE) and recent surveys of problematic systems and or components where recurring maintenance and/or repairs are no longer economically feasible. As a large majority of the base building systems and infrastructure have past or are fast approaching the end of their useful life, this plan attempts to address the problematic systems and/or site features that could have detrimental effects on the life safety, continuous operation and instructional environment of the School Division. For systems not identified that have exceeded their useful life, preventive and predictive maintenance measures/practices (i.e. PM services, rebuilds, infra-red surveys, etc.) will be increased through our general maintenance budget to extend their useful life.

The basis for estimates are derived from contractor's estimates and cost with projects of similar type/scope and RSMeans, a leading provider of construction information, products and services. An escalation factor has been factored in for subsequent years. This plan reflects the true needs and the estimated cost for the division for

each project. As it is nearly impossible to accurately predict when systems or infrastructure failure will occur, the plan is subject to revisions.

SCHOOL PLANNING & CONSTRUCTION

On February 12, 2018, the City of Richmond passed a 1.5% meals tax to support construction and renovation of school buildings. The meals tax will generate \$150M over five years to support Phase I of the Capital Improvement Plan adopted by the School Board. Phase I of the CIP includes three new 21st century public schools with 21st century technology, education and safety amenities: a new George Mason Elementary School, a new E.S.H. Greene Elementary School and a new middle school to replace the existing Elkhardt Thompson Middle School.

The new George Mason Elementary School will accommodate 750 students while the new Greene Elementary School will accommodate 1,000. The new middle school will accommodate 1,400 students. All three schools are state-of-the-art and designed to include school and community green space, be energy efficient, LEED Silver Certified and feature highly-advanced security systems. These three new schools are expected to be completed and open for students in the 2020 school year.

K-3 STAFFING STANDARDS**

Additional staffing considerations to qualify for state funding:

The State established the long-term goal of reducing pupil-teacher ratio and class size for K-3 in those schools with high or moderate concentration of at-risk students. Class size funding under this initiative varies with the concentration of at-risk students as determined by the percentage of free lunch eligibility. The table below shows a listing of elementary schools, their free lunch eligibility, the required pupil teacher ratio and the maximum allowable class size.

Schools Allocations

To provide equitable distribution of funding to all schools, allocations are based on September and December memberships as reported to the Virginia Department of Education (VDOE). Schools receive \$110 for every child counted in the September 30 membership. Further, recognizing that exceptional education students' needs go beyond those of students enrolled in the regular curriculum, schools receive an additional \$110 for every exceptional education student reported to the VDOE in December.

Annual budget allotments are based on September and December pupil counts and by employing site-based management, schools distribute dollars to various expenditure lines such as: instructional supplies, field trips, printing, staff development and equipment. Principals and their staff work collaboratively to determine the best use of resources for the upcoming school year.

Funding for utilities, building maintenance, janitorial supplies, and repair and maintenance supplies are handled by the Department of Plant Services. Purchasing oversees expenditures for postage meters, and Information Communication & Technology Services manages system-wide telephone needs including copier leases, technology equipment, service, and repairs.

Oversight of staff development funding is provided by the office of Professional Development. In the fall funds are disseminated by the Chief Academic Officer. The allocation covers the cost of staff development activities in which schools and departments participate. Each school and department is required to submit a "Staff Development Plan" to ensure funding is being used to meet the goals and objectives of the Richmond Public Schools.

ARTICLE II

POLICY 3-2.1 ANNUAL OPERATING BUDGET

Generally

The annual school budget shall be viewed as a guide to discretionary spending. Such budget shall be an estimate of receipts and expenditures of the school division and shall contain a description of the educational program to be provided.

The School Board has final authority in determining what is included and what is excluded in the annual budget; however, the School Board is advised by the division superintendent or his/her designee of the financial needs of the school division to achieve the programs approved by the School Board.

In order for the annual budget to have the fullest support of the staff, School Board members and stakeholders, it is imperative that a transparent procedure be established which will share the budget making process with all stakeholders.

Fiscal Year

The fiscal year is defined as beginning on the first day of July and ending on the thirtieth day of the following June.

Drafting of the Budget

Calendar

The School Board and administration highly value community and stakeholder input throughout the budget drafting process. To this end, the public will be notified of all methods through which it may provide input regarding the budget drafting process.

The division superintendent or his/her designee shall prepare a budget calendar identifying all deadlines for the annual budget making process, which shall be published on the division website. The calendar shall include work sessions for reviewing the budget and at least one public hearing on the budget. The final public hearing shall be held at least seven days prior to the approval of the budget. Notice of the time and place for the public hearing must be published, at least ten (10) days in advance, in a newspaper having general circulation within the school division.

Classification of Expenditures

The budget shall include the following major classification of expenditures:

1. Instruction;
2. Administration, attendance and health;
3. Pupil transportation;
4. Operation and maintenance;
5. School food service and other non-instructional operations;

**RICHMOND PUBLIC SCHOOLS
BUDGET POLICY
FY2019-2020 BUDGET**

- 6. Facilities;
- 7. Debt and fund transfers;
- 8. Contingency reserves; and
- 9. Technology

The School Board may require further detail within the above listed classification of expenditures.

Presentation to School Board

The division superintendent's budget, including the estimated required local match, for the following school year shall be presented to the School Board by the second scheduled meeting in January, or as otherwise required by law.

Publication of the Budget

Upon approval of the annual budget by the appropriating body, the school division shall publish the approved budget in line item form, including the estimated required local match, on the School Board website. Additionally, hard copies of the budget shall be made available to the public upon request.

Monthly Report of Expenditures to the School Board

The adoption of the capital and operating budgets by the School Board carries with it the authority of the administration to make such expenditures within the limits of the budget.

The division superintendent or his/her designee shall render each month to the School Board a statement of the funds in his or her hands available for school purposes and the status of each budget item.

Annual Report of Expenditures to the Richmond City Council

At least annually, the School Board shall submit to the Richmond City Council a report of its expenditures. Such report shall also be made available to the public either on the school division website or in hard copy at the central school division office. This report shall take the form of a template prescribed by the Virginia Board of Education.

Budget Transfers

The division superintendent's approval is required for all budget transfers. The School Board approval is required on any request for budget transfers in excess of \$10,000. All budget transfers, including transfers for less than \$10,000, shall be presented to the School Board or a committee thereof. All budget transfers presented to a committee shall be immediately forwarded to the School Board.

FY2019-2020 BUDGET**

Code of Virginia, 1950

§ 15.2-2503. Time for Preparation and Approval of Budget; Contents. All officers and heads of departments, offices, divisions, boards, commissions, and agencies of every locality shall, on or before the first day of April of each year, prepare and submit to the governing body an estimate of the amount of money needed during the ensuing fiscal year for his department, office, division, board, commission or agency. If such person does not submit an estimate in accordance with this section, the clerk of the governing body or other designated person or persons shall prepare and submit an estimate for that department, office, division, board, commission or agency. The governing body shall prepare and approve a budget for informative and fiscal planning purposes only, containing a complete itemized and classified plan of all contemplated expenditures and all estimated revenues and borrowings for the locality for the ensuing fiscal year. The governing body shall approve the budget and fix a tax rate for the budget year no later than the date on which the fiscal year begins.

§ 22.1-88. Of What School Funds to Consist. The funds available to the school board of a school division for the establishment, support and maintenance of the public schools in the school division shall consist of state funds appropriated for public school purposes and apportioned to the school board, federal funds appropriated for educational purposes and apportioned to the school board, local funds appropriated to the school board by a local governing body or such funds as shall be raised by local levy as authorized by law, donations or the income arising therefrom, and any other funds that may be set apart for public school purposes.

§ 22.1-89. Management of Funds. Each school board shall manage and control the funds made available to the school board for public schools and may incur costs and expenses. If funds are appropriated to the school board by major classification as provided in § [22.1-94](#), no funds shall be expended by the school board except in accordance with such classifications without the consent of the governing body appropriating the funds.

§ 22.1-90. Annual report of expenditures. Every school board shall submit at least once each year to the governing body or bodies appropriating funds to the school board a report of all its expenditures.

§ 22.1-91. Limitation on expenditures; penalty. No school board shall expend or contract to expend, in any fiscal year, any sum of money in excess of the funds available for school purposes for that fiscal year without the consent of the governing body or bodies appropriating funds to the school board. Any member of a school board or any division superintendent or other school officer violating, causing to be violated or voting to violate any provision of this section shall be guilty of malfeasance in office.

§ 22.1-93. Approval of annual budget for school purposes. Notwithstanding any other provision of law, including but not limited to Chapter 25 (§ [15.2-2500](#) et seq.) of Title 15.2, the governing body of a county shall prepare and approve an annual budget for educational purposes by May first or within thirty days of the receipt by the county of the estimates of state funds, whichever shall later occur, and the governing body of a municipality shall prepare and approve an annual budget for educational purposes by May fifteen or within thirty days of the receipt by the municipality of the estimates of state funds, whichever shall later occur. Upon approval, each local school division shall publish the approved annual budget in line item form, including the estimated required local match, on the division's website, and the document shall also be made available in hard copy as needed to citizens for inspection.

The Superintendent of Public Instruction shall, no later than the fifteenth day following final adjournment of the Virginia General Assembly in each session, submit estimates to be used for budgetary purposes relative to the Basic School Aid Formula to each school division and to the local governing body of each county, city and town that operates a separate school division. Such estimates shall be for each year of the next biennium or for the then next fiscal year.

¹ "N/A" = no local match required for this program.

² ADM values shown are based on local projections of March 31 ADM for FY 2019 and FY 2020.

³ Columns may not add due to rounding.

⁴ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution only and is not adjusted for actual sales tax revenues received.

⁵ The Governor's Amended budget assigns the entire funding for Textbooks to the SOQ area. Required Local Effort for Textbooks is based on the payments in the SOQ area.

⁶ VRS Retirement includes payments for the Retiree Health Care Credit (RHCC). Please see the Budget Variables tab for the funded RHCC rate.

⁷ Projected state payment. Final payments will be based on actual expenditures, up to the projected state payment, subject to the availability of funds.

⁸ Includes state funding for regional vocational, special, and alternative education programs and Academic Year Governor's Schools.

⁹ Payments for Remedial Summer School are based on actual FY 2019 enrollment and projected FY 2020 enrollment used in the Governor's Amended budget.

¹⁰ Payments for the VPSA Technology Grants are made from bond proceeds on a reimbursement basis and may begin following each bond issuance. These payments include funding for the school division and the schools for which the division serves as the fiscal agent.

¹¹ Projected payments for the Virginia Preschool Initiative are based on local enrollment projections for FY 2020.

¹² Payments for English as a Second Language are based on actual FY 2019 enrollment and projected FY 2020 enrollment used in the Governor's Amended budget.

¹³ The Governor's Amended budget calculates the state share of Compensation Supplement funds based on a 5% salary increase effective July 1, 2019, for funded SOQ instructional and support positions, as well as for regional alternative education programs and Academic Year Governor's Schools.

¹⁴ The Governor's Amended budget maintains an increase of \$6.1 million in FY 2019 only to eligible school divisions that have a five percent or more decline in their ADM from March 31, 2013 to March 31, 2018, with a minimum dollar amount for such eligible school divisions of \$75,000.

¹⁵ The Governor's Amended budget proposes a per pupil funding amount for the Supplemental Lottery Per Pupil Allocation Payment projected at \$364.15 for FY 2019 and \$367.44 for FY 2020. Divisions will be paid up to their calculated entitlement based on actual March 31 ADM, pending sufficient appropriation.

⇒ = SOQ accounts requiring a local match for purpose of meeting Required Local Effort.

BOLD = Account funding based on ADM; any changes in ADM numbers will result in a change in the state payment amount.

¹ SOQ-funded support positions and related salaries are funded as part of Basic Aid. The number of positions is calculated by multiplying the prevailing number of positions per pupil (shown above in column B) by base-year unadjusted Average Daily Membership (ADM). The funded support positions are then multiplied by the prevailing salary per position (shown above in column C), then adjusted for changes in enrollment. This base cost is then translated into a per pupil amount by dividing the base cost by base year ADM. This per pupil amount is then multiplied by the projected SOQ ADM for each year to derive the total projected salary cost.

² The Governor's Introduced Amendments to the 2018-2020 Biennial Budget (HB 1700/SB 1100) include the adopted funding ratio methodology applied to support positions. For the purposes of making the required spending adjustments, the appropriation and distribution of Basic Aid reflect the support position ratio methodology. The funded support positions are shown in this sheet with the support position ratio applied. Please note, however, that the appropriation act language states that each locality has discretion in determining where reductions may be made at the local level to accommodate the support position ratio funding adjustment, providing that divisions still meet the instructional staffing requirements of the Standards of Quality.

FY2019-2020 BUDGET**

REVENUE DESCRIPTIONS

PRIOR YEAR FUND BALANCE: Balance of funds not expended in the prior fiscal year.

LOCAL CITY FUNDS

CITY APPROPRIATION: Amount of funds appropriated by City Council from City revenues.

STATE FUNDS – SOQ PROGRAMS

BASIC AID: Basic state aid funds are provided for basic operational costs which cover the cost per pupil, including providing for the number of instructional positions required by the Standards of Quality (SOQ). The minimum ratio is 51 professional personnel to 1,000 pupils. The funds cover the cost for the following educational programs: regular day school, gifted, vocational, special, library, driver's education, and teacher sick leave. These funds also cover general administration division superintendent's salary, free textbooks, school nurses, operation and maintenance, transportation, staff development, remedial work, fixed charges and other charges. Basic aid funds are distributed based upon ability to pay local share of state-wide per pupil amount. FORMULA: PER PUPIL AMOUNT x ADJUSTED ADM - STATE SALES TAX x STATE SHARE COMPOSITE INDEX

EMPLOYEE BENEFITS: The State reimburses RPS a percentage of benefit costs (VRS retirement, group life, and social security) based on the state share of employer contributions for funded SOQ instructional and professional positions. FORMULA: PER PUPIL AMOUNT x ADJUSTED ADM x STATE SHARE COMPOSITE INDEX

ENGLISH AS A SECOND LANGUAGE: State funds are provided to support local school divisions providing the necessary education services to children not having English as their primary language. Funding supports the salaries and benefits of instructional positions at a standard of 17 positions per 1,000 ESL students.

GIFTED EDUCATION: Funds are distributed to the locality to support the state share of one full-time equivalent instructional position per 1,000 students in adjusted ADM.

PREVENTION, INTERVENTION, & REMEDIATION: SOQ Prevention, Intervention, and Remediation funding provides remedial services to children who need additional instruction. Funding is disbursed to local school divisions to support the state share of additional professional instructional positions ranging from a pupil teacher ratio of 10:1 to 18:1 based on the division-level failure rate on the SOL English and math tests for all students at risk of educational failure (the three-year average free lunch eligibility data is used as a proxy for at risk students).

SALES TAX: A portion of net revenue from the state sales and use tax dedicated to public education is distributed to counties, cities, and towns in support of the Standards of Quality. The distributions are based on each locality's pro-rata share of school age population as based on the estimate of school-age population as provided by the Weldon Cooper Center for Public Service at the University of Virginia.

SPECIAL EDUCATION: Funding for special education provides for the state share of salary costs of instructional positions generated based on the staffing standards for special education. Each special education student is counted in their respective school and up to three disabilities per student may be recognized for calculating instructional positions for funding.

TEXTBOOKS: State law requires that students attending public schools receive free textbooks. State funding is provided on a per pupil basis based on the statewide prevailing per pupil cost of textbooks incurred by school divisions.

**RICHMOND PUBLIC SCHOOLS
FY2019-2020 BUDGET**

REVENUE DESCRIPTIONS

VOCATIONAL EDUCATION: State funds are provided to support career and technical education courses for students in grades 6-12. The funding supports the salary cost of instructional positions based on the class size maximums established by the Board of Education.

REMEDIAL SUMMER SCHOOL: Remedial Summer School programs provide additional education opportunities for at-risk students. These funds are available to school divisions for the operation of programs designed to remediate students who are required to attend such programs during a summer school session, or during an intersession in the case of year-round schools.

STATE FUNDS – INCENTIVE PROGRAMS

COMPENSATION SUPPLEMENT: Compensation supplement funding covers the state share of cost (including fringe benefits) for a percentage-based salary increase for funded SOQ instructional and support positions. The compensation supplement is contingent upon a stable general fund revenue forecast for FY20.

EARLY READING SPECIALISTS INITIATIVE: These funds are designated to provide one early reading specialist position for all third-grade classes in schools that had a pass rate of less than 75 percent in the prior year Standards of Learning reading test. School divisions that are affected will have to match the funding of the additional positions based on their composite index of local ability to pay. The Governor's introduced budget would allow these funds to be used for tuition for current instructional personnel to earn licensure as a reading specialist.

GOVERNOR'S SCHOOLS: These programs give gifted and talented high school students an opportunity to study with fellow students of similar interest and abilities from across the Commonwealth. The schools offer specialized curriculum offerings. State funds are provided to assist with the state share of the incremental costs of operations during the school year. These funds are not to be used for capital outlay, structural improvements, renovations, or fixed equipment costs. Funds may be used for the purchase of instructional equipment.

MATH/READING INSTRUCTIONAL SPECIALISTS: The Math/Reading Specialist Initiative assigns eligibility based upon the schools that rank lowest on the Spring SOL math or reading assessment. The state share of funding for a reading or math specialist is available to eligible schools for both years of the biennium. DOE may award any unallocated funds from this initiative to schools eligible for funding under the Early Reading Specialists Initiative. This action distributes state funds to school divisions in a different manner in the 2018-2020 biennium than in fiscal year 2018, but total state funding for the program remains constant.

SPECIAL EDUCATION-REGIONAL TUITION: Regional tuition reimbursement funding provides for students with low-incidence disabilities who can be served more appropriately and less expensively in a regional program than in more restrictive settings. A joint or a single school division operates regional special education programs. These programs accept eligible children with disabilities from other local school divisions. All reimbursement is in lieu of the per pupil basic operation cost and other state aid otherwise available.

VIRGINIA PRESCHOOL INITIATIVE PLUS (VPI +): These funds are used to sustain approximately 1,530 student slots of high quality preschool for at risk four year olds within the 13 divisions that participate in the federally-funded Preschool Development Grant program known as Virginia Preschool Initiative Plus. These school divisions shall be responsible for ensuring that all such slots meet expectations set forth in the Department of Education's November 2018 Plan to Ensure High-Quality Instruction in All Virginia Preschool Initiative Classrooms.

REVENUE DESCRIPTIONS

STATE FUNDS – CATEGORICAL PROGRAMS

ADULT EDUCATION: State funds are provided to improve educational opportunities for adults and to encourage the establishment of adult education programs that will enable all adults to acquire basic educational skills necessary to function in a literate society. The program also enables adults to complete secondary school, obtain a GED, or to benefit from job training and retraining programs.

SCHOOL LUNCH: School divisions participating in the National School Lunch Program get cash subsidies and donated commodities from the U.S. Department of Agriculture for each meal they served. The lunches must meet Federal requirements, and they must offer free or reduced-price lunches to eligible children. This state reimbursement program is required by the federal National Nutrition School Lunch Program, the School Breakfast Program, and the After School Snack Program.

SPECIAL EDUCATION – HOMEBOUND: Homebound funding provides for the continuation of educational services for students who are temporarily confined to their homes for medical reasons. State funds reimburse school divisions for a portion of the hourly rate paid to teachers employed to provide homebound instruction to eligible children.

SPECIAL EDUCATION – STATE-OPERATED PROGRAMS: Education services are continued for students placed in state-operated facilities. State statute requires the state to provide appropriate education to all children in state hospitals, clinics, detention homes, and the Woodrow Wilson Rehabilitation Center. Education services are provided through contracted services with local school divisions. Funded positions are based on caseloads. A funding amount per position (to cover both personal and non-personal costs) is applied to each position to determine the total amount of funding for each division that provides education services in state operated programs.

STATE FUNDS – LOTTERY FUNDED PROGRAMS

ALTERNATIVE EDUCATION:

AT-RISK: State payments for at-risk students are disbursed to school divisions based on the estimated number of federal free lunch participants in each division to support programs for students who are educationally at-risk. Funding is provided as a percentage add-on to Basic Aid to support the additional costs of educating at-risk students.

CAREER AND TECHNICAL EDUCATION:

Adult Education – funds provide adult education for persons who have academic or economic disadvantages, and who have limited English-speaking abilities. These funds pay for full-time and part-time teacher salaries and supplements to existing teacher salaries.

Equipment – career and technical allocations for equipment are used in the following areas: Agricultural Education; Business and Information Technology; Career Connections; Family and Consumer Sciences; Health and Medical Science Education; Marketing; Technology Education; and Trade and Industrial Education.

Occupation Prep – funds are used to provide a portion of the salary of principals and assistant principals of divisional vocational technical centers and assistant principals at regional vocational centers, which are not required in the Standards, and therefore, not funded through Basic Aid. These funds also pay a portion of the cost of extended contracts for vocational teachers.

**RICHMOND PUBLIC SCHOOLS
FY2019-2020 BUDGET**

REVENUE DESCRIPTIONS

EARLY READING INTERVENTION: The Early Reading Intervention program is designed to reduce the number of students needing remedial reading services. Program funds are used by local school divisions for: special reading teachers; trained aides; volunteer tutors under the supervision of a certified teacher; computer-based reading tutorial programs; aides to instruct in class groups while the teacher provides direct instruction to the students who need extra assistance; or extended instructional time in the school day or year for these students.

ENROLLMENT LOSS: Enrollment loss funding is provided to school divisions to offset some of the loss of funds due to declining enrollment from one year to the next. Current and prior year adjusted average daily membership is used to calculate declining enrollment.

FOSTER CARE CHILDREN: Foster care funding provides reimbursement to localities for educating students in foster care that are not residents of their school district. State funds are provided for prior year local operations costs for each pupil not a resident of the school division providing his education if the student has been placed in foster care or other custodial care within the geographical boundaries of such school division by a Virginia agency, whether state or local, which is authorized under the laws of the Commonwealth to place children. Funds also cover children who have been placed in an orphanage or children's home which exercises legal guardianship rights, or who is a resident of Virginia and has been placed, not solely for school purposes, in a child-caring institution or group home. Funds are also provided to support handicapped children attending public school who have been placed in foster care or other such custodial care across jurisdictional lines.

ISAEP: An Individual Student Alternative Education Plan (ISAEP) may be developed when a student demonstrates substantial need for an alternative program, meets enrollment criteria, and demonstrates an ability to benefit from the program. The need is determined by a student's risk of dropping-out of school. Programs must comply with the provisions of §22.1-254D, Code of Virginia.

K-3 PRIMARY CLASS SIZE REDUCTION: State funding is disbursed to school divisions as an incentive payment for reducing class sizes in grades Kindergarten through three below the required SOQ standard of a 24:1 pupil-teacher ratio. Payments are based on the incremental cost of providing the lower class sizes based on the lower of the statewide average per pupil cost of all divisions or the actual division per pupil cost. Schools with free lunch eligibility percentages equaling 30 percent and greater are eligible for K-3 funding. The required ratios range from 20:1 and may go as low as 14:1 based on the free lunch eligibility rate of the eligible school.

<u>Percentage of Students Approved Eligible Free Lunch</u>	<u>Grades K-3 School Ratio</u>	<u>Individual Class Size</u>
Up to 30%	24 to 1	29
30% but less than 45%	19 to 1	24
45% but less than 55%	18 to 1	23
55% but less than 65%	17 to 1	22
65% but less than 70%	16 to 1	21
70% but less than 75%	15 to 1	20
75% or more	14 to 1	19

MENTOR TEACHER PROGRAM: Funds are allocated to provide grants to school divisions providing mentors for new teachers with zero years of teaching experience.

REVENUE DESCRIPTIONS

PROJECT GRADUATION: The purpose of Project Graduation is to provide funding for school divisions to assist high school students to pass end-of-course Standards of Learning assessments in English:Reading, English:Writing, Algebra I, Geometry, Algebra II, science, and/or history, in order to complete their diploma requirements.

SCHOOL BREAKFAST: Local school food authorities administer the School Breakfast Program at the local level. Participating schools must serve breakfasts that meet federal nutrition standards, and must provide free and reduced-price breakfasts to eligible children. This funding provides an incentive to increase student participation in the school breakfast program and to leverage increased federal funding resulting from higher participation.

SOL ALGEBRA READINESS: Funding is based on the estimated number of 7th and 8th grade students who are at-risk of failing the Algebra I end-of-course. This number is approximated based on the free lunch eligibility percentage for the school division.

SUPPLEMENTAL LOTTERY PER PUPIL ALLOCATION: School divisions are permitted to spend such funds on both recurring and nonrecurring expenses in a manner that best supports the needs of the school divisions. There is no required local match.

VIRGINIA PRESCHOOL INITIATIVE: The Virginia Preschool Initiative provides funding for programs for un-served, at-risk four-year-old children, which include quality preschool education, health services, social services, parental involvement, and pupil transportation. Programs must provide full-day or half-day and, at least, school-year services. Educational services may be delivered by both public and private providers.

FY20 Operating Budget Framework

Presentation to the Richmond City School Board

Presented by: Jason Kamras, Superintendent

Venue: Richmond City School Board Meeting

Date: January 22, 2019

Proposed Principles for Our FY20 Operating Budget

Principle 1: Putting Our Financial House In Order

As we advocate for additional funding – which our schools desperately need – the Administration believes we must also do everything possible to demonstrate to the public that we are being good stewards of the funds we already have. That means cutting programs and positions that are not clearly advancing our core mission of teaching and learning. It also means taking financial responsibility anytime we use one-time funds for recurring expenses.

Principle 2: Holding Schools Harmless

As we put our financial house in order, the Administration believes we should do everything possible to hold our schools harmless. Unfortunately, that means cuts must come from the central office.

Principle 3: Funding Requests Should Be Driven by Dreams4RPS

When we request additional funding from the City, the Administration believes we should focus on the priorities outlined in our strategic plan, Dreams4RPS, which was developed in close collaboration with the community and unanimously approved by the Board. After Dreams4RPS, the Administration believes we should focus our requests on meeting the local obligations of new State benefits, such as the Governor's proposed increase in teacher pay.

Where Things Stand For Next Year

Table 1: RPS General Fund Operating Budget, FY18 to FY20 Showing FLAT City Appropriation

If the City's appropriation to RPS is flat in FY20 (maintained at \$156,675,683), we would actually experience a \$12,008,806 deficit because the fund balance for this year's budget cycle is much lower (\$417,008*) as we more effectively spent our allocated funds.

SOURCE	ACTUAL FY18	ACTUAL FY19	IF CITY APPROP IS FLAT FY20	\$ CHANGE	% CHANGE
Prior Year Fund Balance	\$0	\$12,470,800	\$417,008	-\$12,053,792	-97%
City Appropriation	\$158,975,683	\$156,675,683	\$156,675,683	\$0	0%
State Sales Tax**	\$26,329,353	\$27,107,353	\$28,247,705	\$1,140,352	4%
State Revenue**	\$104,195,000	\$103,358,540	\$102,285,474	-\$1,073,066	-1%
Other Revenue**	\$806,383	\$735,851	\$695,851	-\$40,000	-5%
Federal Revenue**	\$469,729	\$612,300	\$630,000	\$17,700	3%
TOTAL	\$290,776,148	\$300,960,527	\$288,951,721	-\$12,008,806	-4%

*Per Board Policy (approved last budget season), 25% of this budget cycle's fund balance would go to our capital budget for building maintenance. The remaining 75% would go to our operating budget (of which 1/3, per the same Board policy, would help pay down an obligation to our legacy retirement account).

**These numbers for FY20 come from the Virginia Department of Education State Entitlement Sheet, with the exception that the funds for the teacher raise are NOT included, as accepting these funds would require additional local dollars. The Administration will request these additional local funds from the City, as indicated on slide 6.

Tackling Our Projected FY20 Deficit and Cost of Teacher Step

Table 2: Projected FY20 Deficit + Cost of Teacher Step (Separate from Raise)

EXPENDITURE	AMOUNT
Projected FY20 Deficit	\$12,008,806
Cost of Teacher Step	\$2,000,000
TOTAL	\$14,008,006

Table 3: Proposed Central Office Cuts and Vacancy Savings

Given Principle 2 (Holding Schools Harmless), the Administration is proposing to cut approximately \$13 million from the Central Office and reserve \$1 million in vacancy savings (of \$3.5 million projected) to cover both the projected FY20 deficit and the cost of an annual teacher step.

EXPENDITURE	AMOUNT
Central Office Cuts	\$13,000,000
Vacancy Savings	\$1,000,000
TOTAL	\$14,000,000

Our Ask of the City: Part 1 – Fund Dreams4RPS

Table 4: Year 2 Costs for Dreams4RPS (2018-23 Strategic Plan)

For a more detailed overview of the Year 2 costs, please see the “5-Year Cost Estimate of Dreams4RPS,” also uploaded to Board Docs.

EXPENDITURE	ESTIMATED COST FY20
Priority 1: Exciting and Rigorous Teach and Learning	\$5,500,000
Priority 2: Skilled and Supported Staff	\$2,800,000*
Priority 3: Safe and Loving School Culture	\$770,000
Priority 4: Deep Partnership with Families and Community	\$660,000
Priority 5: Modern Systems and Infrastructure	\$2,030,000
TOTAL	\$11,760,000*

*This figure is \$2,000,000 less than was stated in the “5-Year Cost Estimate of Dreams4RPS” because the cost of the teacher step increase (\$2,000,000) is already included on slide 4.

Our Ask of the City: Part 2 – Fund Local Portion of Teacher* Raise

The Governor's Proposed Teacher Raise

In December, Governor Northam proposed a budget amendment that would increase salaries for teachers and other personnel in the Commonwealth by 5% over the biennium (FY19 and FY20), up from the 3% that was enacted in his biennium budget last year. It is important to note that localities are required to fund roughly half of the cost of these increases.

RPS raised teacher pay by 2% last year and therefore would need to increase it by another 3% (for a total of 5%) to take advantage of the Governor's proposal. Doing so would cost RPS approximately \$4.7 million. The Administration recommends that we request this amount from the City of Richmond to fully fund the teacher raise.

*Though the Governor's proposal is often referred to as "teacher" raise, it would increase pay for nearly all school division personnel.

Summary

Table 5: Getting Our Financial House In Order

BUDGET ITEM	COST	SAVINGS
Starting FY20 Deficit	\$12,000,000	
Cost of Teacher Step	\$2,000,000	
Central Office Cuts		\$13,000,000
Vacancy Savings		\$1,000,000
TOTAL	\$14,000,000	\$14,000,000

Table 6: Request of the City

BUDGET ITEM	COST
Year 2 Costs of Dreams4RPS (Strategic Plan)	\$11,760,000*
Local Match of Teacher Raise	\$4,700,000
TOTAL	\$16,460,000

*This figure is \$2,000,000 less than was stated in the "5-Year Cost Estimate of Dreams4RPS" because the cost of the teacher step increase (\$2,000,000) is already included on slide 4.
